## HOW TO BE WISE IN GOD'S EYES

### Pastor's Preparation Plan

- I. Purpose - To have a more effective soul-winning church
- II. Prayer - Pray that the church leaders and members get a burden for the unsaved and that each person's spiritual gifts will be identified and put to use for God's glory, the church's good, and for the person's personal growth in service to the Savior.
- III. Participation - To have a soul-winning church, there has to be a soul-winning pastor, ministry staff, staff, deacons, and Sunday School teachers. The congregation will then follow the leaders.
- IV. Provisional Needs:
  1. Prayer
  2. A place to meet for the two-hour training session
  3. Each person taking the Spiritual Gifts Analysis with a copy given to the church
  4. A plan of implementation
    - (a) Prospects
    - (b) Member's family
    - (c) Neighborhood visitation (survey)
    - (d) Cold calling (Walmart, etc.)
  5. Decision cards

Spiritual gifts are tools God gives Christians to do the work of the ministry -- to fulfill the Great Commission to reach, baptize, and teach and to minister to one another. Every Christian receives at least one gift at the moment of salvation. Spiritual gifts are not rewards, are not natural talents, are not a place of service, are not an age-group ministry, and are not a specialty ministry. They express themselves through various ministries which, in turn, accomplish a variety of results. A spiritual gift is the primary channel by which the Holy Spirit ministers through the believer.
